

MOCRA CRYSTAL RALLY

Solent – Alderney – Cherbourg

25th - 28th August 2006

Annual Short Cruise in which those boats taking part might have the possibility of winning our Rose Bowl Trophy. We will try to arrange the passage so that we all can leave together. This time we hope to visit Alderney first, have a day exploring the island and then have a short run with the tide back to Cherbourg with an evening meal in the Yacht Club. The final leg will be back over the Channel. As usual contact the Cruising Secretary if you think you might want to join us.

The photos are of previous seasons' rallies.

Note: All cruising events are liable to change given weather conditions and as usual the final decision to sail is with the skippers.
