

THE SCOTTISH ISLANDS PEAKS RACE

The 2006 race starts May 19th

This adventure race is for teams of Sailors and Fell Runners (both adult and teenage) held annually around the beautiful West Coast of Bonny Scotland.

The Race starts in Oban with a short hill run, then you sail to Salen on Mull, run over Ben More, sail to Craighouse on Jura, run the Paps, sail to Arran, run Goat Fell, then sail to Troon. The Race takes 2 to 3 Days and caters for Multihulls, Racers and Cruisers.

Each team consists of 5 (usually 2 runners and 3 sailors), there is also an all-rounders class for sailors that can run and a class for young people (with the assistance of a few adults).

MULL

Before boarding dinghies, runners must don lifejackets. Yachts will be waiting in the bay and must be outside the area of moorings. Yachts may be directed to round specific buoys before proceeding by any route to Salen on Mull. On reaching Salen, pass the derelict pier and land from the direction of the moorings (GR578 441).

JURA

Land on or between Craighouse timber pier and the old stone pier.

ARRAN

Land at Lamlash Pier. Note that the area round the pier is surrounded by moorings and the water is very shallow close to and W of the pier. At night, the pier may be marked by yellow flashing lights.

FINISH

Yachts must sail or row into the outer harbour at Troon and transfer their finishing team into the dinghy in the outer harbour before carefully entering the marina under engine. Yachts must not race into the marina itself. Teams ignoring this will be given a time penalty. A team finishes when any two crew members (not necessarily runners) check in at the Troon Marina office. Life jackets must still be worn in the dinghy but they need not carry packs.

TIMING

The time is taken from the last member of each team to arrive at each manned check point. The landing points will be manned for up to 24hrs after the leading team has passed. The finish will be manned until 1800 hrs Monday. If you are outside this time, please continue if you so wish but take your own times and pass them to race control.
