

# MOCRA 2006 CRUISING DATES

The MOCRA Cruising Section is organised by Mike Millerchip, our Cruising Secretary, and is supported by the Cruising Committee & Affiliated Groups members. Further help is provided by our Area Secretaries and Port Representatives. We arrange yearly cruises in company, shorter weekend cruises, meetings and out of season activities. There is also a help-line for those who wish to telephone for free guidance or advise.

The cruising section meets informally 3 times a year to plan these events and to liaise between the affiliated groups. All MOCRA events are open to these groups as well as MOCRA members. Affiliated groups also welcome visitors to their own events but its wise to confirm details with them first. (see page )
